

Dear Client,

Thank you for providing the three datasets. The Summary shown below is all about the issues related to the given datasets. Please let me know if you have any issue.

Demographic Customer	<ul style="list-style-type: none">Gender is inconsistent	<ul style="list-style-type: none">Age is missing	<ul style="list-style-type: none">Blanks in job title	
Customer Address	<ul style="list-style-type: none">State is not consistent			
Transactions	<ul style="list-style-type: none">Transactions month is missing	<ul style="list-style-type: none">Profit is missing		

The table shown above is all about the issues related to datasets. Here is some of the recommendations for improving the datasets.

- Provide gender consistency.
- Add extra column with age of customers.
- Take care about blanks.
- Add transaction month in dataset.
- Add profit column in dataset.

So, this is all about your datasets and it was great experience with your datasets.
